

# 7th Annual Western Colorado Food & Farm Forum

## January 25-26<sup>th</sup> 2019

### 4-H & FFA Scholarship Application

The Forum is dedicated to improving the sustainable production, marketing and consumption of local food. This year's conference will include presentations in the subjects of crops, livestock, ag marketing and management, as well as, ag specialty topics. The 7th Annual Forum will be held January 25-26 in Montrose, CO. We expect more than 250 attendees including farmers, ranchers, ag professionals, policy makers and students.

The Forum's organizers recognize that supporting and encouraging the next generation of farmers and agricultural related career specialists is crucial to the future of agriculture in Colorado. It is in this spirit that we offer 4-H and FFA members scholarships to attend. Scholarships include Friday and/or Saturday registration and Saturday lunch.

#### Scholarship Requirements:

- 4-H/ FFA members need to be actively engaged and in good standing in their club or chapter
- Members must submit an application by Friday, December 28, 2018
- Recipients of the scholarship are expected to volunteer for 2 hours during the course of the conference and to write a short testimonial detailing their conference experience and knowledge gained.

Forum scholarship applications are available from your chapter/club leader or at the website [foodfarmforum.org](http://foodfarmforum.org). Completed applications and questions can be e-mailed to Ellen at [foodfarmforum@gmail.com](mailto:foodfarmforum@gmail.com).

For additional details on the Western Colorado Food and Farm Forum please visit the conference website [www.foodfarmforum.org](http://www.foodfarmforum.org) or call CSU Extension at 970.249.3935.
